

Graubünden Basketball in Chur (Switzerland) is growing and we're currently looking to hire a

Head Coach / Youth Program Coordinator (part time)

Who we are:

Graubünden Basketball runs the largest youth basketball program for around 150 boys and girls in south-eastern Switzerland with the focus on developing youth players and preparing them to play basketball in higher leagues. Our teams play in the regional leagues of ProBasket, a member association of SwissBasketball, and play friendly games in nearby Austria, Germany and Italy.

You will...

- ... design training and development plans for our program from scratch and train our team coaches on how to apply this training concept
- ... mentor the team coaches during their practices
- ... be responsible for our men's team (practice and coaching)
- ... organize and conduct workshops for our coaches
- ... visit physical education lessons at local schools to promote the basketball program
- ... be a role model for our young players and coaches

You need to ...

- ... have a higher diploma in basketball coaching (min. SwissBasketball Level 3 or equivalent)
- ... have experience in setting up a youth program
- ... have coached youth teams on a national level as a head coach and have experience in coaching on regional and/or national selection level
- ... have know-how in developing young people
- ... be an advocate for basketball and spread the basketball virus in our region
- ... be flexible, communicative and demonstrate high social skills
- ... speak English and German (or willing to learn it). Other languages like Italian and French are a plus
- ... work in the evenings and on weekends

What can we offer you:

- part time job in one of the nicest regions of Switzerland
- a basketball club with a friendly atmosphere and motivated coaches and kids
- a devotional club management which will assist you to achieve the club goals
- a possibility to put your basketball philosophy into practice

If you are interested you should submit (1) a one-page letter that summarizes interests and relevant experience, (2) your CV, (3) copies of diplomas, and (4) contact information of two references (all as a *****single PDF*****) to: info@grbb.ch. Applications are welcome until the position is filled and will be reviewed starting on April 8, 2019. Please note that we can according to Swiss labour offer jobs to Swiss or EU citizens only.
